Established 1983

F A L L 2 0 1 2 N E W S L E T T E R

FROM DOUG KURTZWEIL, CHAIR

Cornucopian, color-filled greetings from the shores of your Chippewa Flowage. In spite of the dry conditions of the last 3 months, the trees are resplendent with their red and yellow and orange and golden hues interspersed with the greens of the spruce, balsam, and pines. The forecast for tomorrow is wind and rain, but for now—absolutely beautiful! Truly a wonderful time and place to be alive!!

The growing season proved to be a more normal length this year. My first frost was right on the equinox. My garden did okay, but certainly not great. It's been a couple years since the last load of manure. Maybe I should host a political debate....

Water levels are low due to very little rain since early July. My boat has been beached at the neighbor's 200 yards down the creek since mid-August. I have fished out of it twice since the Fourth. With the water as low as it is now, maybe if they would drop it another couple feet before 'freeze-up', we could do something to those thick, shallow water weeds that seem to get thicker every year.

As some of you might know, it has been a tough year for me. Beginning with a shared lack of focus, on to and into some misunderstandings highlighted by poor communication, the first half of 2012 was a real learning experience. Then, my Mom's illness and passing in July has provided me with perspective and poignancy that will stick with me a long time. I would try to call her at least a couple times a week. After church on Sunday was a 'regular' unless she had gone to 'visit' the casino that day. "How're you doing? How are the great-grandkids? How is your garden doing? Seeing any turkeys? Do the Brewers have a chance? When will interest rates improve? How long should I bake this pie?...Love ya Ma!"

I have begun my 10th year serving as the Chair of your CFAPOA; I would never have imagined an uncontested vote being so close. I don't know how much longer it will last, but it has been one heck of a run! We have accomplished some great things and have built the foundations for many more. By cooperating, working together, and subjugating our individual wants, we can continue to ensure a wonderful, wild, 'up-north' experience for the future generations. It truly has been an honor and a privilege.

Good luck with your fall fishing and hunting. Consider joining us at the Christmas/Holiday Party. Happy Hanukkah! Merry Christmas! Travel safely! Thank you! And...God bless.

29th CFAPOA ANNUAL MEETING/PICNIC

by Carolyn Fritsch

Doug Kurtzweil, Chair, welcomed members to Deer Run Resort for the Annual Meeting and called the meeting to order on August 5, 2012. Minutes of the August 7, 2011 meeting were read and approved. The financial report for the fiscal year 2011-12 was also approved by members present.

Board Member Christopher Jeffords reviewed the bylaw change which was published in the CFAPOA Summer Newsletter as follows:

ARTICLE IV - CONTRACTS, LOANS, CHECKS & DEPOSITS, FUNDS SECTION 5: CONSERVATION FUNDS

Two funds are to be established and maintained separately by the treasury.

The Conservation Project Fund is initiated and funds grow from donations and may be used at any time on any project approved by the Board.

The Conservation Trust Fund is initiated and funds grow from donations and may not be used for any purpose until the target of \$200,000 is met.

This bylaw change was approved by members present.

The next item on the agenda was the Board election. There were five positions open. Jim Montag and Rick Marks were re-elected for 3 year terms. Gail Rahlf and Pete Czarnecki were elected to 3 year terms to replace two retiring Directors. Patti Jeffords was elected to serve the final year of the term of the Director who resigned. Jackie Eckerly was re-elected Secretary and Patty Swaffield was elected Treasurer.

Director Mike Whetstone then gave a report on the sale of the Big Chip Calendars currently available; and Director John Kaiser reported on the success of the recent Big Chip Fish Fest.

There were no additional items from the floor and the meeting was adjourned.

Members then enjoyed a picnic lunch provided by the CFAPOA.

We would like to thank all the volunteers who made this day possible, including those who set up and tore down the tables and chairs, directed parking, the servers, those who brought desserts, and especially our annual brat cooks, Jim Naylor and George Griesmer. Also, a big THANK YOU goes out to Ruth and Denny Aaron of Deer Run Resort who make sure the food is prepared and on the table and the coolers full for everyone to enjoy.

HOLIDAYS COMING UP!

by Mike Whetstone

Even though the leaves are turning colors, even though the fishing is great, and even though the smell of a campfire on a chilly evening is great, the holidays are just around the corner. That brings us to considering gifts for family and friends. What better way to give a unique gift to those you love and cherish than to give them the 2013 CFAPOA calendar. Not only are the pictures awesome, but the calendar is chocked full of national holidays (e.g., July 4th) but it also has many local dates of interest (e.g., The Birkie, Musky Fest, etc.).

To see a selection of photographs in the calendar, and taken by members of your association, of the Flowage, go to www.cfapoa.org and on the home page click on the calendar. From there you will be taken to a selection of photographs which we are sure you will agree are breathtaking. Also, on the website is an order form. There is also an order form elsewhere in this newsletter. Consider it – it’s worth purchasing!

ADOPT-A-SHORELINE

(aka Purple Loosestrife Patrol)

Under the careful direction of Dennis Clagett, this program officially began in 2006 when 15 CFAPOA members began monitoring our shorelines for purple loosestrife, an invasive species. Those original teams were Chuck Block, Dennis & Barbara Clagett, Al & Delores Hixson, Chris & Patti Jeffords, Jerry & Nancy Johnson, Jack & Marl Reeder, Carmen & George Sipes, Nancy Ruhlow & Barb Schweig.

Over the years, the program has grown and the members listed below now each have a section they monitor and control. Four new members joined the group this year; Dan & Denise Lessard have Section A1 and Steve & Louise Paulson have Section H.

Thanks to all the volunteers listed below who patrolled and removed unwanted purple loosestrife from our shores this past summer. This invasive plant loves it here, but we don’t love it and these volunteers are helping minimize its invasion. Their efforts are greatly appreciated. A more complete report will be available in a future newsletter.

BIG CHIP FISH FEST
Sponsored by CFAPOA & LCFRA
 by Rick Marks, BCFF Co-Chair

As September comes to an end, leaves and temps begin to fall. Frosty mornings leave our gardens wanting for July's early warmth, and minutes of sunlight disappear each and every day. It also means our lake water temps are nearing the low 50's, ideal conditions for the most important event of the fall...."STOCKING EXTENDED GROWTH WALLEYES (EGW'S) Not just a few, but 25,000 egw's will enter the Big Chip starting Friday, Oct.5 and finishing Tuesday, Oct.9th. 8,000 will be placed on the east side, 17,000 on the west side.

It goes without saying this is no easy task. To stock 25,000 walleyes takes but a few hours. Raising \$41,250.00 takes the better part of a year and countless volunteers.

Everything centers around the "THE BIG CHIP FISH FEST" (BCFF). Our third annual BCFF once again was held at The Landing Resort, Father's Day...Sunday, June 17th. Set up of tents, chairs and tables starts as early as Thursday afternoon. Denny Reyes and his staff at The Landing ready the grounds. By 6:00 a.m. Nan and Al McElroy and staff set up and direct over forty bucket raffles with a \$200.00 minimum per bucket. Marlen Kaiser and staff ready the main sales table. Cheryl Treland fried fish and Don Lessard boiled fish to be ready for the 11:00 a.m. start of the shore lunch, with all the fixings, boiled potatoes, jo-jos, baked beans, coleslaw with tartar. Marlen Kaiser and crew provided over 1000 cookies and goodies.

Other activities included kids games by Kris Treland-Neuman and Jodi Jorczak. Sponsored by Sawyer County Outdoor Projects and Education (S.C.O.P.E.) prizes provided by SCOPE included fishing rods, reels, tents, coolers, minnow buckets, rain gear, fishing nets, and much, much more!!

Fishermen's prizes, 50/50 raffle, gun raffle and our major raffle with a \$1000.00 first prize provided by L.C.O were awarded after the shore lunch.

With all this going on, now all we need is good weather and a good turnout. "WOW", what a turnout. 612 people were served shore lunch, countless others came late for all the giveaways. As luck would have it the weather held out just long enough.

As I stated early on the cost of 25,000 egw's is staggering. Although the event itself was a great success we need for more funds to pay for a stocking of this magnitude. Our major partners CFAPOA (Chippewa Flowage Area Property Owner Association), LCFRA (Lake Chippewa Flowage Resort Association), and WFNW (Walleye's For Northwest Wisconsin) all donated \$4000.00 a piece. Countless donations by area guests and local property owners were also accepted and needed to reach our goal.

From car parkers, fish cleaners, servers, fish cookers, ticket sellers, everyone setting up and taking down. We can't thank you enough. To Denny Reyes and his staff at The Landing...you are the best!!!!!!!

Remember, EDUCATION, SELECTIVE HARVEST and RESTOCKING OF EXTENDED GROWTH WALL-EYES will aid in the effort to help restore the walleye population on the Big Chip!!!

Co-Chairs John Kaiser & Rick Marks

Beautiful grounds at The Landing resort, perfect weather, three big tents and over 600 supporters attended this Fathers Day event!

This unidentified young angler proudly displays this dandy Largemouth Bass he caught and donated to the fish fry.

The fish fillet team headed by Dan Tyrolt were kept busy throughout the day filleting northern pike & largemouth bass.

Don Lessard's Norwegian fish boil is always a crowd favorite!

Cheryl Treland from Treland Resorts expertly prepared over 200 lbs. of fish filets on her deep fryer.

Over 600 attendees took part in the largest shore lunch in Sawyer county. Northern Pike and Largemouth Bass were served both fried & Norwegian boiled style to rave reviews!

BCFF volunteers Vickie Schlipper, Marion Dier and Jan Bergman greet the crowd at the registration table.

Dawson Jorczak shows off his morning catch of northern pike while fishing with his dad Jason.

BCFF co-chair John Kaiser arrives prepared for the big day ahead and ready to go!

The bucket raffles stretched the length of the tent and all the way across one end. Incredible donated items were featured.

BCFF co-chairman Rick Marks does a live interview with WRLS radio's Scott Klone during the event.

Denny Aaron from Deer Run resort and a member of the BCFF executive committee enjoys Fathers Day with his daughter Stacy.

Co-chairs Rick Marks & John Kaiser along with Marlen Kaiser congratulate "Big Chip" guide Ron Bergman the winner of the cash raffle and \$1600.

25,000 eg walleyes!

Fathers Day is about kids! Jodie Jorczak & Kris Treland Neuman Chair the kids committee and have many organized games for the kids at our event. Sponsored by a \$1000 grant from S.C.O.P.E. many prizes were awarded to the children's delight!

THE BIG CHIP FISH FEST COMMITTEE STOCKS 25,000 WALLEYES!

By John Kaiser, BCFF Co-Chairman

The Fall of 2012 was one to remember: spectacular color, bright sunny, windless days, and perfect temperatures from the mid-60s to mid-70s. Wednesday, October 3rd was the perfect Fall day – peak color, sunny, calm, and 70s; but, it was the end of an eleven-consecutive day run.

Now it is Friday, the 5th, two days later, and Marlen and I head out the driveway at 6:00 a.m. The wind is howling and gusting to 35 mph. It's 36 degrees as we drive down County Road B and snowflakes are dancing in the headlights. The truck from Gollon Fish Farm, Dodgeville, WI, containing 16,000 of our extended growth walleyes, is waiting at the corner of "B" and River Road. I get out and talk to Terry, the driver, and our journey begins.

We travel up the road to Deer Run Resort and to their boat launch. Ruth Aaron is waiting with a big pot of coffee and homemade cookies provided by Nan McElroy, Marlen, and Stacy Aaron. It is still ink-dark and a blizzard of leaves is cascading through the air. Headlights pierce the darkness as Al and Nan McElroy arrive looking like Eskimos, and others come to watch. 4,000 big walleyes are stocked in the darkness at the boat landing and head out into the West Fork for their mission to grow big and strong.

Next, the caravan heads up the road to Treeland's Resort as a little daylight begins to make an appearance. Cheryl Treland greets our arrival and many more interested supporters join us there. The truck backs down the ramp and 4,000 more walleyes are stocked in their harbor as Tyler Treland runs up the dry shoreline to chase off a blue heron waiting for an easy meal.

We then head for The Landing Resort on County Road CC to stock at their boat landing, which is several hundred yards west of the lodge. Huge whitecaps are rolling by; and, in spite of the opening day of Muskies, Inc. big fall muskie tournament, there is not a boat in sight. 4,000 of our big-boy walleyes are stocked there and off on their new life.

We finish up our frigid morning by heading to Big Musky Resort, arriving about 8:45 a.m. The howling NW wind and whitecaps are blowing straight into their boat ramp and it is frigid and hard to stand up! Many come down from the resort to watch the stocking. The young walleyes are challenged as we release the last 4,000 from the tanks on the truck. The waves are washing them back into shore; and, with volunteers helping, they are coached back out to the deep water and soon disappear. The stocking completed, we meet with the driver and Al McEnroy and I present him with a check for this year's stocking \$41,250.00.

Tuesday, October 9th, another truck will come with an additional 9,000 extended growth walleyes to complete the total stocking of 25,000. Crane Lake will receive 1,000, Tiger Musky Resort, 4,000 and Reeder's Recess Resort on Tyner Lake 4,000. We hope it is a little warmer and less windy for the next adventure!

We sincerely thank all of our CFAPOA members for their tremendous support! We also want to thank the CFAPOA, LCFRA (Lake Chippewa Flowage Resort Association), LCO Tribal Board, and Walleyes for Northwest Wisconsin for substantial donations, as well as many personal donations from the resorts, local businesses, and the community.

6:30 am, 37 degrees, flurries, 35 mph gusts at Deer Run Resort. L-R: Amanda Wilson from Deerfoot Resort, Stacy Aaron from Deer Run Resort (Nice jamies, Stacy!), BCFF Secretary Nan Mc Elroy , BCFF Coordinator Marlen Kaiser, and Ruth Aaron from Deer Run Resort are bundled up to view the festivities!

A excellent example of the walleyes we stocked.

2012 CFAPOA FISH STOCKING

The Gollon Fish Farm truck with 16,000 extended growth walleyes aboard at Deer Run's boat landing

This is what we are here for, 16,000 walleyes stocked today and another 9,000 next week.

A close view of our walleyes for the future.

4000 were stocked at Big Musky resort on Scott Lake, Steve Schultz looks on as John & Al mind the big tube. The wind was roaring at Big Musky and mixed with the 37 degree air made you forget all about Wednesday when it was calm and in the 70's!

L-R: Al & Nan McElroy and Marlen & John Kaiser check out a full net of walleyes prior to stocking at The Landing Resort.

Cheryl Treland from Treland's resort and Ruth Aaron from Deer Run Resort show off a pair of the extended growth walleyes prior to stocking at Treland's marina.

Walleyes flying out of the tank and into the Chippewa Flowage

Many interested supporters came to watch the stocking of 4000 walleyes at Treland's marina. 25,000 walleye stocked this year!

We received some beautiful walleyes. This one, after release, is certainly one of them!

Thanks for your support with this CFAPOA project!
